Dear Friend of Santa Barbara County Agriculture,

Planning is under way for the 4th Santa Barbara County Spray Safe event, and we need your help.

Spray Safe is a **free** morning-long intensive training program, **offering CEU's for eligible employees** and course work that **focuses on pesticide-exposure prevention incidents. Spanish translation will be provided.** The mission of Spray Safe is "To encourage the safe application of agricultural chemicals through education and farmer to farmer communication and cooperation". It is also an excellent opportunity to improve communication among growers, chemical applicators and farm employees. Many find it to be a great continuing education tool for their employees, a source of understanding new technology, and a way to better protect the health and safety of farmers, field crews and neighboring residents.

Santa Barbara County's Spray Safe event will be on Wednesday, February 15, 2023.

The Spray Safe planning committee cannot make this event happen without the financial support of Santa Barbara County's agricultural community. To offset the costs to conduct the event, we rely on the generosity of farm owners, pesticide applicators and advisors, supplier representatives, and anyone concerned about the industry's future.

If you would like to become part of this important and popular event contributions of any amount are welcome, and all donors will be recognized at the event. If you would like to be recognized, please email a jpeg copy of your company logo to Teri Bontrager at farmsbc@hwy246.net.

Sponsorship opportunities include:

- Title Sponsor @ \$5,000
- Diamond @ \$2,500
- Platinum @ \$1,500
- Gold @ \$1000
- Silver @ \$500

Sponsor Name: _____

**Please make checks payable to: SBCFB Spray Safe;
Please mail all payments to SBCFB, P.O. Box 1846 Buellton, CA 93427**

On behalf of the Santa Barbara County Spray Safe Committee, we thank you for your generous support. If you have any questions please contact Santa Barbara County Farm Bureau at (805) 688-7479
